

COVID-19 CALL TO ACTION

Medical Supplies Needed for Frontline

Your local physicians and health care personnel on the frontline are in urgent need of personal protective equipment to preserve their own health as they work to test and treat their patients. Many of these items are commonly used by your business and industry. The Concho Valley County Medical Society in conjunction with San Angelo Community Medical Center and Shannon Medical Center needs your help to secure donations.

SUPPLIES NEEDED

- ▶ Masks
- ▶ Unopened N95 masks
- ▶ Disposable Medical Gowns
- ▶ Disposable gloves
- ▶ Protective shoe covers

These materials should be in their original packaging, and not be opened. It is imperative donations are not contaminated for the health and safety of our community.

FOR QUESTIONS regarding acceptable donation items, please call Dr. Barbara Montague at (325) 942-0842.
